

## TAILOR MADE SOLUTIONS!

We specialize in design & installation of tailor made solutions for all your requirements.

Come to the specialists and experience the difference.

Our specialty is to provide you, state of the art technology under one roof may it be designing, Installation, manufacture or trouble shooting.

WHAT WE DO ....

### DESIGN, INSTALATION & TROUBLESHOOTING OF

- PLC Systems
- Pneumatic Systems
- Panel Boards (Main/ Distribution/ Lighting Control/ ATS) etc.....
- Motor Control Systems
- Factory Automation
- Machine Automation
- Motor Control Circuits

### WE ARE SPECIALISED IN

**PLC, HMI & SCADA**  
Germany

**Motor Drives (VSD)**  
Control Techniques (USA)

**Motor**  
Leroy Somer (France)

**Pneumatic**  
Asco (USA)

**BMS**  
Automated Logic Controls (USA)

**Software Solution**  
IBH (Germany)

**Industrial Component**  
IDEC (Japan)

### REPAIRS OF

- Industrial Machinery
- (PLC / Relay / Electronics Control type)
- All Types of Generators & Motors
- Speed & Frequency Changes of the Motor
- Rewinding of Motors & Generators
